

# DEMOLITION/CONTRACTORS GRAPPLE

The WBM Demolition/Contractors Grapple is a versatile attachment for heavy duty demolition, recycling, scrap handling, land clearing, and shoreline reclamation.

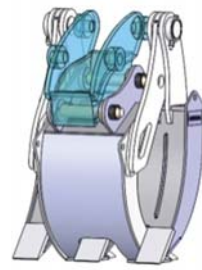

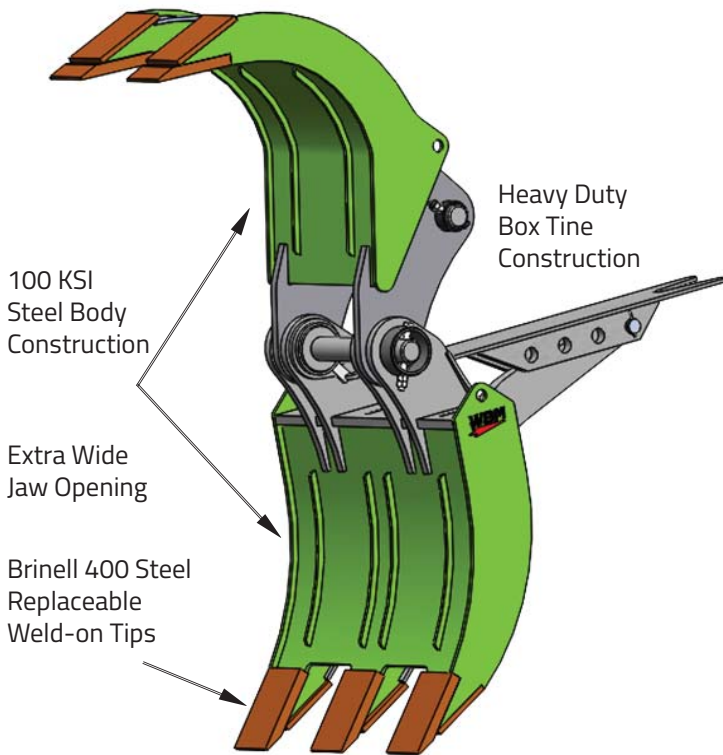

## FEATURES & BENEFITS

- Box tine construction for high strength to weight ratio
- Re-buildable jaw tips
- High strength steel and abrasion resistant material
- Single pivot pin design
- Manual 3 or 4 position link anchor
- Increased durability and grapple life expectancy
- Utilizes machine (OEM) bucket linkage configuration
- Ability to handle large or small loads

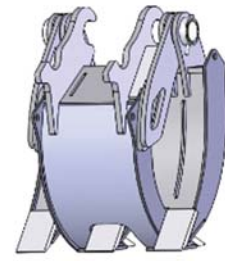

## OPTIONAL EQUIPMENT

- Hydraulic lower Jaw positioning
- Wedge Coupler mounting
- Pin Grabber Coupler mounting
- Grapple Jaw Tine configurations to suit customer requirements
